Even if you re just thinking about plastic surgery, you ll benefit from this book, which tells you exactly what you want to know starting with the key question: Do I need it? If your answer is yes, you ll welcome the insider advice from a plastic surgery consultant who has observed hundreds of procedures and formerly counseled thousands of pre-and post-surgery patients for one of New York s premier plastic surgeons. Among the topics she covers: Where do I find a surgeon? What should I ask? How much will it cost? What are the risks? Will I scar? Is there pain? How long does healing take? Will I still look like me? Should I tell? With simple language, a reassuring attitude and a touch of humor, Francesca Camp makes the process less intimidating and offers practical advice you won t find anywhere else from estimating a truly realistic timetable to choosing the right bedding for your recuperation. Reading this book may be your first step toward a life-changing transformation.
