Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Unconquered, inhuman Nature subsumes most clearly the totality of what exists. The adolescent girl has not yet acquired for her use any portion of the universal: hence it is her kingdom as a whole; when she takes possession of it, she also proudly takes possession of herself. The idea of nature as a safe haven and retreat where a young girl refuges to and repeatedly finds solace and empowerment also penetrates children s literature. What Annis Pratt calls *The Green-World Archetype* (Pratt 1981: 16-24), an adolescent girl who lives close to nature, is one of the most common female protagonists in children s fiction . (Nikolajewa 2002: 332) Nature features prominently in the novels of the 20th century Canadian authoress Lucy Maud Montgomery best known for her classic girl s book *Anne of Green Gables*. In all of her books Montgomery s protagonists are female heroes. The heroines of her novels and short stories vary from each other in age. Out of her twenty-one books eleven focus on female protagonists in late childhood or early adolescence of about nine to approximately eleven years of age. (Epperly 1992: 7) A prominent theme that runs through all of those novels is the development of self-confidence of the,...
