I know the solution! You need to .As adults we act as if we understand all the issues our children face. We anticipate the questions, we have all the answers, and we offer them even before they are solicited. Yet, despite our best efforts, our young people still suffer from self esteem issues, experience bouts of depression, embark on a path of destruction, and even contemplate suicide.This book has come at the right time. Donald Stewart has been sent to us for such a time as this. The body of Christ needs answers. What better way to understand a relatively new phenomenon which is sweeping through our nations and causing such concern and alarm, than to look at the issues through the eyes of the victim?Donald s vast experience of working with teenagers in camp settings, in high schools, in church retreats, as a counselor, but even more importantly, as a father who has been challenged with issues in his own home, has the requisite qualifications for speaking from the perspective of the child.As long as we refuse to believe our children or we continue to treat our teens with suspicion and disdain then they will never be able to trust us enough to offload their deep-rooted fears, struggles and confusion.As long as we keep deceiving ourselves by believing that the occult world and demonic activities are not real, but merely the figment of someone s unenlightened imagination - then we have disqualified ourselves from being an integral part of the solution.As long as we convince ourselves that these phenomena were merely things of the distant past, occurring in very distant...
